With the timeless refrain "Meet me at the clock !" echoing throughout its lobby for over 100 years, The Westin St. Francis has long been renowned as a pre-eminent address for business affairs. Discover a rich, colorful monument to turn-of-the-century grace at our downtown San Francisco conference center - where meetings and events assume a historic splendor. From small executive sessions in our elegant conference rooms, suites, and parlors to extravagant galas for a 1,500-person reception or 1,100 people seated in our Grand Ballroom, we feature a diverse range of sophisticated venues. Transcend the button-downed monotony of conventional San Francisco meeting rooms, and take advantage of this grand, innovative destination in one of the world's most inspiring cities. Completed a $45m renovation in April 2018 of all guestrooms in the Landmark Building. Completed a full renovation of St. Francis Heights and Colonnade, formally the Imperial Floor and the Roosevelt Room, respectively. These exceptional spaces, perfect for weddings and private events, celebrate the culmination of a $9 million restoration of the hotel's 56,000 square feet of function space.
