San Francisco's newest landmark! The flagship Applebee's on Fisherman's Wharf offers the best views of the Bay, Alcatraz and the Golden Gate Bridge while serving classic American fare. Our third floor location offers two large private dining rooms to accommodate parties of up to 350 guests. With a reasonably priced menu, Applebee's is perfect for families, travelers and visitors of all kinds! Don't miss our late night happy hour. Our seasonal menus keep your choices fresh and exciting. From our signature cocktails to our vast entree selection and kids menu, there is something here for everyone. Come enjoy our neighborhood. We'll see you tomorrow! We know you like your steaks tender and sizzling. Your pico de gallo made fresh. And your flavors layered so you get different tastes in every bite. You like your salads seasonal. You like your beers big. You like your checks small. And your smiles wide, real and frequent. We know if we keep giving you these things, you'll come back over and over. Maybe even tomorrow. And that's great. Because we also like seeing you every day.
